

Team Name: sdmay24-24

Team Members: Jacob Elliot, Julia Falat, Joey Hansen, Logan Kinch, Viola Newman, Chris Penne

Report Period: Oct 23-Nov 5

Summary of Progress in this Period

Began looking at components we wanted to use for our project when we begin heavy testing. We also began looking through our design document to fix previous errors.

Pending Issues

None currently

Plans for Upcoming Reporting Period

Amend our design document and prepare for the end of semester presentation.
